DEVOTIONAL:

MAKE PLANS FOR YOUR COMEBACK

God promises to always lead us into victory!

That means no matter what you are facing, no matter what's going on in the world around you, no matter what anybody says, you should always be planning for a comeback!

In the middle of that adversity or tough time, start making your list of who you're going to invite to your victory celebration. You don't have to wait for everything to be perfect before you decide to celebrate what God is going to do in your life.

TIME TO PUT SOME ACTION BEHIND YOUR FAITH!

That means if you're in the hospital, start planning what you're going to do when you get out. If you are in debt, start planning your coming-out-of-debt party. When things don't look good in the natural, remember, we serve a supernatural God. With God leading you into victory, you can always plan to WIN! Increase, Success and Restoration shall be your reward. You can plan for a comeback that will make you stronger and better than you ever were before! ~*Dont forget to find a word that speaks to your situation~ Apply that word into your comeback plans.*
