

DAY 23 ~ 30 DAY FAITH & FITNESS CHALLENGE

SCRIPTURE: Ephesians 5:15-17

15 Be very careful, then, how you live—not as unwise but as wise, **16** making the most of every opportunity, because the days are evil. **17** Therefore do not be foolish, but understand what the Lord's will is.

DEVOTIONAL:

OPPORTUNITY IS A VISITOR

When God opens a door of opportunity for you to walk through, you will encounter “opposition” from three areas:

The first area of opposition comes from yourself. When fear enters your mind you need to cast those fearful thoughts aside, trust that God is with you and that you have what it takes to move on in whatever new thing He is calling you to.

The second area is others. For whatever reason, some people aren't thrilled to witness others move forward in new things. For this reason, you need self-confidence to proceed forward regardless of what others say.

The third area is our archenemy. Anytime God opens new doors of opportunity in your life, you can be certain the enemy will try to block you. Satan doesn't want you to gain new areas of growth or claim new territory for God's kingdom work. You must resist his attacks and courageously walk through the doors God opens before you.

Remember Opportunity is a Visitor sent by God. The bible says in Hebrews 10:35 NIV - “Do not throw away your confidence; it will be richly rewarded.”

Thus, the next time an opportunity comes your way—you'll need to shake off your fear, dust off what naysayers say, and stomp over the obstacles the enemy places in front of you. You will make the devil mad and God glad!

GOLDEN NUGGETS ON OPPORTUNITY THAT I SHARED WITH OUR DAUGHTER WHO JUST WENT TO COLLEGE:

- An opportunity is what has been given to you by GOD.
A chance is what YOU take
- So that means that you can have an opportunity but never take the chance. If you're going to ever get to greatness you have to take a chance.
- God has anointed you as a LEAD. Do not re-cast yourself as a supporting actor or a stand in.
- Remember that every moment is pregnant with an opportunity... so you got to know that an opportunity attached to a moment comes around once or maybe twice. You may get another opportunity but it will not be attached to the same moment in time.
- Doors of opportunity I'll give him by God but you have to take the chance.
- Opportunity speaks in the language of purpose vision and goals.
- Opportunities shows up at the most inconvenient times, when you feel like you don't have the skills or you're in qualified or you are in the middle of doing something else. But remember that opportunity is a visitor take your chances baby you got this
- Opportunity is the way that God pulls out of your potential and gives you a platform for expression. opportunity demands from you what has not been expressed by you.

Lastly, Greater is he that is in you than he that is in the world . all of us have greatness in us and this is the season to walk in it in Jesus name
