

RHEMI NATION CHURCH FAST 2023 DAY 13

**2023 The Year of Expansion, Fruitfulness and
Acceleration. Isaiah 54:1-3, Amos 9:13, Joel 2:23**

FOCUS: COMMITMENT

WORD:

We all have opportunities to give up on what we're believing for. When things get uncomfortable, many start to slack off from God, our relationships and not be our best.

But ,if you're going to go to the next level, you have to STAY committed! You can't be moved by what's not working out, move on an emotional temporary moment and give up in the middle of the journey.

Remember, God ALWAYS rewards consistent, faithful, committed people. But too many people are wishy washy. They'll love you as long as you perform perfectly. If not, they're out of there! They'll be their best if you keep them encouraged, keep them propped up. They'll pursue a dream as long as they're getting good breaks. Their commitment is based on things going their way. But when it's difficult, when it's taking longer than they thought, they get discouraged and start to slack off. For us believers, this kind of behavior is unacceptable and ALWAYS leads to a path of destruction.

I've heard it said on the road to your destiny, **halfway through**, every person will be tempted to give up. Some turn around and go back, the others stay committed and keep moving forward. What's interesting is both people travel the same distance. One goes halfway back to where they started, the other goes halfway ahead and reach their goal.

Committed people outlast the difficulty. Committed people stick with God even when it seems like he's not listening and everything is not going in their favor. Committed people stick with their relationship even though they have a right to walk away SOMETIMES. Committed people go the extra mile and do more than they have to.... PRAY more than they have before.

Is there an area you've been tempted to give up in, or just slack off, not be your best? God is saying, "Stay committed. Stay faithful. Stay loyal". Why? Because When you are Committed, you WILL reach the fullness of your destiny.
